

# Service and Vendor providers

Unicis has entered into an agreement with the following vendors and service providers.

## Atlassian

**URL:** <https://www.atlassian.com/>

Company behind Jira and Confluence. We develop applications in Forge for Jira and Confluence.

## Jira

Bug tracking, issue tracking and agile project management.

## Confluence

Web-based corporate wiki.

## Marketplace

**URL:** <https://marketplace.atlassian.com/>

Atlassian Application Marketplace directory.

## OVHCloud

**URL:** <https://www.ovhcloud.com/>

Cloud infrastructure.

## Open Collective

**URL:** <https://opencollective.com/>

Open Collective is a crowdfunding platform focused on grassroots groups.

## Xolo

**URL:** <https://www.xolo.io/zz-en>

Unicis tax, accounting and finance report advisors.

## Upwork

**URL:** <https://www.upwork.com/>

Freelancing platform.

## Wise

**URL:** <https://wise.com>

Online banking and payment service provider for Unicis.

## GitHub

**URL:** <https://github.com/>

Hosting service for software projects using Git.

### **Community Edition**

Only community and open-source code repositories are permitted to be published.

## GitHub Sponsors

**URL:** <https://github.com/sponsors>

## GitLab

**License:** Copyright © 2011-2015 GitLab B.V.

**URL:** <https://gitlab.com/>

Hosting service for software projects using Git.

**Business Edition and Proprietary code**
